

COVID-19 Rules while attending

The Bobby Allen Skills Academy

At The Bobby Allen Skills Academy your safety and well-being is our top priority. In an effort to prevent spread and reduce the risk of exposure to our athletes, we are asking everyone to adhere to our rules and regulations.

1: Every parent entering the school and every athlete who is enrolled in The Bobby Allen Skills Academy program must complete the Self-Declaration questionnaire prior to entering the North Star Montessori School's premises.

2: Parents and athletes are responsible for informing The Bobby Allen Skills Academy immediately should any responses change to maintain a safe environment.

3: Everyone entering the North Star Montessori School's premises must wash their hands and sanitize at the entrance; athletes must wash their hands again before starting practice.

4: Parents and visitors accompanying the athletes must have face covering mask on at all times.

5: Attendance form must be filled out at every practice session for all athletes and all parents entering the North Star Montessori School's premises.

Thank you,

Management
